INTERACTIVE GAMESHOW

Engage and Entertain team sizes of 10 to 1000 people

By combining cutting edge technology with tailor-made trivia Starr Play offers a path breaking approach to engage event audiences. This international TV game show module creates high-voltage experience like never before. The show content can be created for diverse subjects like technology, sports, films, business or just about any theme that one can imagine.

Approach

The Game Show host will divide the participants into teams. Each team leader will be given a high tech RF keypad.

Game Show questions will be projected on the AV screen. The teams send their responses using the keypads. The scores are revealed after every round or at the appropriate time to hold the audience to the edge of their seats.

Starr Play International specializes in multimedia software and hardware that value-add the much needed oomph to engage audiences. Our range of world class products is customizable to any social space.

GAMESHOW MODULES

Module 1:

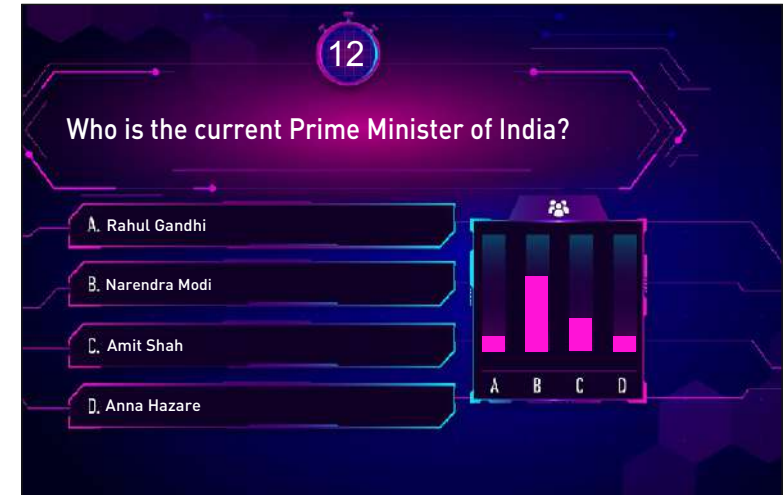

A2D

A2D is a class apart when it comes to a game designed within the risk and return elements. An multiple-choice question round where questions are based on plethora of topics like bollywood cricket, movies, sports etc. with a good mixture of videos and images.

The best part of the game show design is its pattern of revealing answers. The design is sure to allow adrenaline pump into the participants, causing some nail biting moments in the show.

The Solution is Ideal For :

- ▶ Team Building & Collaboration
- ▶ Conference Energizer
- ▶ Edutainment Events

Module 2 :

Solve the Phrase (STP)

The screen shows an incomplete sentence or phrase with a hint. The letters fill in gradually based on the cues the host at game show provides.

This is buzzer round; meaning the team that hits the buzzer first gets a chance to answer first. The questions are not passed.

The Solution is Ideal For :

- ▶ Team Building & Collaboration
- ▶ Conference Energizer
- ▶ Edutainment Events

Module 3 :

Six of a Kind

Each team gets to select a representative to play this round. The representative can pick a category where (s)he has to answer 6 questions of the chosen subject.

Let's say a category chosen is Indian Cities. 6 cities are successively revealed on the screen one by one. Within the given time, if the participant is able to answer all questions, earns maximum points.

The Solution is Ideal For :

- ▶ Team Building & Collaboration
- ▶ Conference Energizer
- ▶ Edutainment Events

Module 4 : Kloolless

Each team gets to select a representative to play this round. The representative can pick a category where (s)he has to answer 6 questions of the chosen subject.

Let's say a category chosen is Indian Cities. 6 cities are successively revealed on the screen one by one. Within the given time, if the participant is able to answer all questions, earns maximum points.

The Solution is Ideal For :

- ▶ Team Building & Collaboration
